A. N. "BUD" SHINPOCH  
State Representative

Sat. April 7,

Dear Jim & Vickie,

Sorry I haven't written  
in so long. I would have  
called again, but I heard  
that sometimes the operators  
will intercept a call to  
check if it is business or  
not.

The legislature is  
supposed to be over on the  
14<sup>th</sup> -- so only one more  
week of work. It has  
been so beautiful outside  
lately, and the Capital  
grounds are so pretty to  
walk through.

Yesterday was our anniversary -- but we are celebrating tonight instead since it's not a work night. We are going to go out to dinner, but I can't decide where yet. (We don't have quite the choice you Easterners have)!

How does Vickie like her teaching? I am anxious to hear about it, and about your trip. I hope you took a lot of pictures. A girl in our office has a real expensive camera with a telescopic lens. She took my picture today in front of the Capitol Bldg.

Well, I'm going to have to get back to work - so I will write more later.

Love, Mary
